

# Hello and Welcome to 4L!

## 2024-2025

Meet your new teacher and support staff, We can't wait to see you...  
again!

Our class plant is Margaret the snake plant. She likes a little bit of sunshine, watering every few weeks and having her leaves cleaned with banana peel.

Although I have been teaching at Hanley St. Luke's for over 17 years, this will be my first year in Year 4. I am really looking forward to exploring all of the exciting topics, like Egyptians and the digestive system, with you!

**Year 4:**

In Year 4 we will build upon everything you have learned so far and prepare you for moving into upper KS2. There will be trips, sports events, swimming and some special themed days to enjoy and help us with our learning.

**Fun fact: Mrs. Barlow likes camping, fishing and prawn cocktail flavoured crisps!**
