

Breakdown of our Sport Money Premium spend

Each term our funding allows us approximately £3000 to spend.

Over the last three years, the majority of our money has been spent on CPD and clubs in and out of school for the children. (Please see our list of clubs, events and CPD training on our website.)

Autumn Term

CPD: Approximately 30% (Year 3 dance and games and playground leader training).

Events, Competitions and Clubs: 70%.

Spring Term

CPD: Approximately 20% (Year 4 SCFC curriculum input).

Events, Competitions and Clubs: 80%.

Sustainability

With the sport premium fund due to end in 2020 we are planning how we will be able to sustain the provision of sport and P.E in our school.

- Staff to use their planning and knowledge to teach lessons in P.E after they have received their CPD in a chosen area.
- Children have been given sufficient encouragement to continue to participate in clubs, events and competitions at the level we have achieved.
- To continue to achieve the gold status in the Sainsbury's school games award.
- With the support of lunchtime staff (who have received training), continue to improve children's fitness and participation at break and lunch times.
