

Hanley St Luke's C of E (Aided) Primary

29th January 2016

Dear Mums, Dads and Carers

On Wednesday 10th February between 2.00 p.m. - 3.30 p.m. we will be holding an E-Safety awareness session for adults.

This session will be led by Lynne Evans from Stoke-on-Trent City Council who is a tutor in ICT and who will be able to offer help, support and advice on all areas of online safety. The session will cover topics such as social media, protecting your personal information online and security settings amongst others. If you have any questions or concerns that you wish to discuss please feel free to bring these up at the session.

We would love to see as many family members and carers there as possible, so if you are able to spare the time please come along.

Please could you return the reply slip below if you wish to attend.

Yours sincerely

Mr M A Barlow
