2nd March 2017

Dear Parents and Carers

With the Year 6 SATs approaching I would like to remind children that as a school we subscribe to an excellent online resource called Education City. Education City allows children to access a wide variety of English, Maths and Science activities for all age groups up to and including Year 6.

If you have not yet taken out a subscription for Education City home access and would like to do so, please use the pro-forma below. The cost for home access is £5 per family renewable every September, if you have already paid for access at the start of the year you do not need to do anything.

Yours Sincerely

Mr J. Woods
ICT Co-ordinator
