13th September 2016

Dear Mums, Dads and Carers

To enhance our Harry Potter Topic in the Autumn term pupils in Year 5 have the opportunity to take part in a unique experience.

On Thursday 29th September we will be visiting the Cheshire Candle Workshop near Beeston. There the children will create their own candle and decorated holder (which they will be bringing home).

This is a fabulous opportunity to illustrate aspects of our science topic, Properties and Changes of Materials.

The total cost after school subsidy and discount for the visit is £10.00. We would appreciate the payment as soon as possible.

We thank you in advance for your co-operation. The children will thoroughly enjoy the experience planned and it will bring their first topic in Y5 to life!

Yours sincerely

Mr M A Barlow  
Headteacher
