

Hanley St Luke's C of E (Aided) Primary

18th November 2016

Dear Parents/Carers

As of next week your child will be bringing home an extra reading book to practise at home. They will have been working on this book as part of their English lessons following the Read Write Inc. programme.

Your child should be able to read that book with little or no support and it is intended for them to improve their fluency and expression.

As we will be working on this book in class they will need to bring it to school with them each day in their bag. The book will only be changed when we move on to a new one in our lessons.

Please encourage your child to continue to practise reading this book as often as possible.

Many thanks for your continued support

Yours sincerely

M. A. Barlow
