Dear Mums, Dads and Carers

As you are aware your child brings home a school reading book, relevant to their ability and in some cases matched to their Read Write Inc. level.

To promote and raise the importance of early reading further we are introducing a scheme into Key Stage 1 which we hope you will support us in using.

Reading ladders will be introduced into the front of every child's reading log. This will only be completed by the teacher or TA when the child has securely finished his/her reading book and their diary is signed and returned to school. When your child has finished 5 books, through being heard to read at home and in school weekly, your child will be placed on the Gold Star.

We hope that this encourages children to read more at home. We will keep you informed of our other incentives to read widely and more often.

Yours sincerely

Mr M A Barlow  
Headteacher
