PE and School Sport Funding Action Plan and Statement. Updated January 2017

The Government has allocated a substantial amount of addition and ring fenced funding to improve the quality of school PE and Sport. The funding is allocated on the basis of £7,660 per Primary School with an additional £5.00 for each child aged 5-11. This funding totalled £9,760 in 2016.

Our plan is to improve our provision in the following ways:

- Increase pupil participation in sports and fitness by providing free sports/activity clubs to promote exercise and the change4life approach. These clubs will be delivered in addition to our normal array of clubs and engage groups before, during and after school.
- Through quality CPD activity, increase staff knowledge of outstanding delivery and accurate assessment and outstanding differentiation in planning.

Monitoring

We will measure our success by monitoring pupil uptake and questionnaires to determine the impact on their understanding of exercise and on their enjoyment of activity.

We will evaluate our impact on teaching through the observation of quality delivery of Sport and PE activity. Accurate assessment of pupils levels will be monitored through our continued work in subject leader networks and with our other partners.

Our plan for impact

Our over-arching aim is to provide pupils with lifelong healthy habits that involve remaining physically active for the rest of their lives.

To enrich teaching staff's knowledge in areas of sport to improve their curriculum lessons.

Following on from our Year 3 Plan in distributing PE funding:

Year 4

2016-2017. To maintain our status as a Games Mark Gold award school. Continuing to offer a wide range of Sporting Clubs during and after school to all pupils throughout the school.

To begin to increase to general fitness of children at lunch and break time liaising with lunchtime staff. To continue to offer CPD to staff who may need support and to see an impact in their teaching in PE lessons.

To continue to offer children opportunities to take part in competitions both in school and against other school teams.
