

Hanley St Luke's C of E (Aided) Primary

Dear

As part of our school's SEN Audit and Review we recognise the importance of parental understanding and invaluable contributions to the development of SEN within our school.

Here at Hanley St. Luke's we acknowledge the importance of parental involvement. With this in mind we would greatly value your opinion of and suggestions regarding any specific information you would wish to see on the SEN section of our school website, including how easy it is to access and how informative you as a parent feel it is.

We would be very grateful if you could complete the enclosed questionnaire and return it to the school office.

Yours sincerely

M. A. Barlow
