

Hanley St Luke's C of E (Aided) Primary

21st June 2016

Dear Mums, Dads and Carers

I write once again regarding collection of children from Reception Classes and Year 1.

Every afternoon staff are reporting that Foundation Stage equipment and resources are being interfered with. This has resulted in sand being thrown from the sandpit and damage caused to other items. Some parents are not ensuring that siblings are kept under close control which has resulted in complaints from parents and the need to replace broken items.

As a result we will now be keeping the Reception yard area closed until the children are ready to be released by staff. This will help us to ensure that expensive equipment is not damaged and that our valuable resources and activities can be left outside. It will also ensure the health and safety of all our site users.

We also intend to make changes to our arrangements for the release of children at the end of the day. I will inform you about this shortly.

I trust in your continued support.

Yours sincerely

Mr M A Barlow
Headteacher
