

Parental Responses to School Reports – July 2016

Very pleased, fantastic progress made!

I am very pleased with her progress and it is nice to see that she is Year 5, advancing/deep in her assessments. My daughter seems a lot more confident in maths, she used to struggle in this subject. Thanks!

We are really pleased with his report, he has grown up so much this year, not just academically but personally.

We are very happy with the way our son has come on since joining Hanley St Luke's, what a fantastic report!

We are very pleased with the progress she has made and how she has developed in herself.

In the 3 months my daughter has been in school, I have seen a big improvement, from asking more questions to sounding letters and creative play. She is always talking about her teachers and friends.

We are extremely pleased with the progress he has made with his reading and writing.

I think my child is progressing really well and I am very happy about it.

We are really pleased and proud with how he has progressed, he has really worked hard and has enjoyed being with his teachers.

My daughter enjoys going to school. This year has seen her grown more socially aware and I believe this is down to her experiences whilst at school.

I'm very happy that my son has made such big progress this year, his speaking and reading are better than I thought.

I am extremely happy with my son's progress in Reception, he loves going to school and really seems to enjoy learning. The teachers and assistants have been really supportive and this has helped both myself and my son to enjoy his time in Reception. I hope he continues to progress just as well in Year 1.

My daughter has made fabulous progress in Year 1, we are extremely pleased with the achievements and progress she has made.

I feel he has made fantastic progress. I hope he continues to make great progress – very proud parents.

We are really pleased with his school report. He has done really well and has come on leaps and bounds since starting at Hanley St Luke's. Thank you to his fabulous teachers for their hard work.
