

Hanley St Luke's C of E (Aided) Primary

5th June 2015

Dear Parents

Your child will be taking part in a national phonics screening test, week beginning 15th June 2015.

We have been preparing your child at school every day, by reviewing different sounds and reading them in words (read words and made-up 'alien' words).

Please help to support your child at home by practicing the words and sounds on the attached sheet.

More information on the phonics screening check can be found on the internet. Type 'Parents information on phonics screening check' and follow the link for Ruth Miskin.

Results of the phonics test will be made available to you on your child's report.

Thanking you in anticipation of your support.

Yours sincerely

Mr M A Barlow
Headteacher

Phonics (Year 1)

Please help your child to read the sounds in the table below. They have come across a lot of them in RWI and need to practise reading them confidently in words. See if they can spot the sound in the words- we call the sound 'special friends'.

Some of the words are real and some are nonsense words (we call them alien words). If you can think of any others, please feel free to include them as well.
