

Hanley St Luke's C of E (Aided) Primary

16th September 2016

Dear Mums, Dads and Carers

After another most successful Year 5 Action Adventure weekend to the Kingswood Educational Activity Centre in Penistone, Yorkshire last year, we are proposing to take our present Year 5 children for a similar experience from Wednesday 26th until Friday 28th April 2017. The children will leave school on the Wednesday morning and return to school at approximately 3.00 p.m. on the Friday.

The children will have the opportunity to experience ICT in a practical, fascinating way, while also testing their mettle with a series of challenging outdoor activities such as zip wire, climbing, archery and raft building. This will be a similar experience to the one of the children will have in Year 6 when they visit Stanley Head for the week but with more of an emphasis on computing.

The school is subsidising the cost of the trip by a substantial amount so the cost to you for this trip will be £100.00 (£30 of which will be a non-refundable deposit). This cost can be paid in instalments from October 2016 if you would find this easier. More details will be sent to you at a later date and we will also be holding a parent's evening, prior to the trip to show you a video and answer any question.

If you agree to your child taking part in this exciting visit will you please fill in the pro-forma below and return to school by Monday 3rd October with £30.00 deposit to enable us to confirm the booking.

Yours sincerely

M. A. Barlow
