12<sup>th</sup> October 2016

Dear Mums, Dads and Carers

### Kingswood Activity Centre

It is with great regret that this year we will have to cancel our Kingswood trip.

Each year school subsidises this event significantly. Rising costs for such centres have resulted in an amount for the 3 days that means that half of our year group will not be attending. This means it is not viable to run as an event this year.

School are fully aware of the financial pressures that parents face and also of the need to prepare children for their residential visit to Stanley Head in 2017. To meet both of these needs we will be planning at least one Year 5 event during Summer Term 2017 at Stanley Head. This will not involve a residential aspect thus reducing costs significantly, whilst delivering on the team building and physical elements of an Outdoor Education Centre visit.

All deposits will be returned to parents and these can be collected from the school office from Monday 17<sup>th</sup> October 2016.

I trust in your continued support.

Yours sincerely

Mr M A Barlow
