13<sup>th</sup> January 2017

Dear Parents and Carers

Thank you to all who made a real effort to get your children to school this morning. We had an excellent turn out with 330 pupils in school and a real community spirit as everyone 'mucked in' to get the school safe and ready.

For some of you it will have been more difficult to get in than others and that's true for both staff and pupils. For that reason, we are as flexible as possible on a snow day. Ultimately, you need to assess the safety of your own journey, however, if your child does not make it into school, then that does have to be recorded as an absence for our official register information.

On future wintery days where we are able to open, and I really hope we don't have too many to deal with, please ensure that your child is wearing wellies, sensible boots or really stout shoes, with indoor shoes to change into if necessary and a warm winter coat, hat and gloves etc. This will prevent wet feet before the day has even started and will allow us to explore the snow safely if class teachers feel that is appropriate for their class.

Stay safe everybody.

Yours sincerely

Mrs L Williamson.  
Headteacher
