

## About Us

**We aim to ensure all children and young people can access the opportunities and support they need to be successful during childhood and into adulthood. We believe the best way to do this is to focus on the whole family, by providing holistic support that empowers families to use their own strengths to build positive futures.**

## What we do

We offer Family Support, parenting programs and advocacy support to families living in Stoke on Trent.

Our Family Support Workers use the Outcome Star to support families identify their own needs. This forms part of an holistic assessment that aims to empower families.

We offer support to families with children from conception to 18 years of age. Our support lasts approximately 16 weeks, but can be extended if families require intensive support.

We offer targeted support (Level 2 - 4) and work in partnership with statutory services by sharing support plans and avoiding duplication.

## Examples of support we provide

- Parenting strategies
- Managing behaviour
- Group Family Links parenting program
- Support accessing statutory and non-statutory services
- Advocacy for parents of looked after children
- Accessing Early Years settings
- Accessing children's activities
- Early Years development
- Budgeting and benefit applications
- Housing and tenancy support

## Examples of support we are unable to provide

- Transporting children to educational settings
- Looking after children and/or providing respite Care
- Providing 'someone to talk to'
