Meet your new teacher and support staff, We can't wait to see you.

Welcome to 1S. We cannot wait to welcome you to Year 1. Our classroom is a mix of continuous provision and guided group work. We have many exciting things planned this year and we look forward to meeting you all.

This is our classroom;

- We have a lovely outdoor learning space that we use as part of our lessons. We have a bike track with ramps, a construction area and mud kitchen.
- We love to explore! We are hoping to go on a range of walks and visits to local places to enhance our learning, including the park and library.
- We have many fun topics in year 1 including Ourselves, Plants, Materials, Toys, Transport and The UK.
- In year 1, we come to school in our PE kits on PE days. This means more time for PE! 😊
