A Year 4 smash their MTC tests!

 **Celebrating Our Results!** 

We're delighted to share the fantastic outcomes from this year's Year 4 Multiplication Tables Check (MTC):

- 33% of pupils achieved full marks (25/25) – right in line with the national average.
- 71% scored 20 or more, showing a strong and positive trend for our school.

These results are a clear reflection of the high-quality teaching, effective interventions, and most importantly, the brilliant efforts of our children.

 A huge well done to all our Year 4 pupils and staff!

We are incredibly proud of what you've achieved

Attendance...everyday counts!

Every day is important but recently we've noticed a pattern of lower attendance on Mondays and Fridays, and we'd like to work together to help improve consistency for the benefit of our students' learning and classroom community.

To encourage better attendance on these key days, we have incentives and rewards:

Monday- 1 name is drawn out. If that person is in and on time- they win a prize!

Friday- If children have been in all week, and on time they get 3 Dojos!

Weekly- If the class wins 1st place they get 3 Dojos, 2nd place- 2 and 3rd place 3 Dojos.

PLEASE NOTE WE NO LONGER USE STUDYBUGS TO REPORT AN ABSENCE.
