WELCOME TO NURSERY!

In Nursery, we learn lots of key skills to help us on our learning journey. We will look at lots of exciting topics to enrich our learning such as People Who Help us and Journeys. There is lots of opportunities to play, learn, get messy and go outdoors! We have our own outdoor area which is connected to both of our classrooms. Our classrooms are inviting, nurturing spaces that allow everyone to try lots of activities throughout the day.

Please reach out to us if you have any questions about your child.

We can't wait to meet you all in September! Here is some information about our staff:

- Miss Brown is in her 6th year of teaching. She is a new mum who loves to spend time with her little girl and her dog. She also loves art and getting messy!
- Miss Meakin has been an EYP for over 20 years, she loves to inspire young children to be the best they can be and she makes no apologies for getting messy!
- Mrs Mangan is an experienced EYP and loves to sing with the children. She loves to nurture and support all children and have lots of fun!
- Miss Hirst had a 20 year career in a previous field before retraining and has worked in schools for 8 years. She loves to nurture, support and encourage children at the start of their learning journey.
- Mrs Carr has worked in education for 18 years, with a range of ages. She has 3 children and loves reading, colouring and being creative.

"Education is one thing that no one can take away from you."
