

Mrs Clarke

Mrs Higham

Mrs Morris

Hello and Welcome to 2L

Meet your new teacher and
support staff.

We can't wait to see you!

WELCOME TO 2L

Welcome to Year 2! We can't wait to welcome you to Year 2. We love to learn and have fun along the way! We have lots of exciting things planned this year and we look forward to meeting you all. We are hoping to go on a variety of trips and walks to local places to enhance our learning. We already have a trip to the farm booked in.

We have some fun and interesting topics to study in Year 2 including animals and their offspring, the Gingerbread Man, the Great Fire of London and Jack and the beanstalk. We love to sing in year 2!

On PE days, children should come to school dressed in their PE kits. PE days will be confirmed in September.

Our new classroom

We can't wait to welcome you all in September and begin our exciting Year 2 journey together! ★

Year 2 is such a special year, filled with new learning, wonderful friendships, exciting opportunities, and lots of fun adventures – and we are so excited to share it all with you.

Here's a little bit about us...

Mrs Clarke is a busy mum of two daughters. Mrs Clarke spends her weekends taking the girls to dancing lessons and attending lots of dancing shows. The girls dancing has taken Mrs Clarke on a cruise ship and even to Disneyland Paris, where the girls performed.

Mrs Higham is a mum of two grown up girls. Mrs Higham has a guinea pig called Jimmy. Jimmy keeps Mrs Higham busy by being very cheeky. Mrs Higham loves exploring different places by going on holiday.

Mrs Morris is a mum of two grown up boys. Mrs Morris has a dog called Harley who she likes to take for nice walks. Mrs Morris keeps fit by going to yoga.

"Education is one thing that no one
can take away from you."

Key Information

Your child will be given a login for Numbots (Reception–Y1) and Times Tables Rock Stars (TTRS) (Y2–Y6), which help children learn key number facts and times tables that are essential for confidence and progress in maths—please encourage your child to practise regularly at home using their login at <https://play.numbots.com> and <https://ttrackstars.com>.

READING AT HOME EXPECTATIONS

Regular reading at home plays a vital role in children's learning and development across EYFS, KS1 and KS2. We encourage children to read at least 3 times a week, as this helps to build confidence, improve language and comprehension skills, and foster a love of books. Reading little and often supports progress in all areas of the curriculum, not just English. To celebrate this, we offer reading rewards to recognise effort and commitment, helping to motivate children and make reading a positive, enjoyable routine at home.

Our School Vision:

"I have come that they may have life and have it to the full."
(John 10:10)
