

Mrs Cordon

Mrs Thompson

Hello and Welcome to 3S

Meet your new teacher and support staff.

We can't wait to see you!

WELCOME TO 3S

In Year 3, we're looking forward to going on a variety of trips and local walks to enrich our learning. Some of the places we plan to visit include Tatton Park, Hanley Library, and Chester. We have many exciting topics to explore this year, including the Stone Age, Bronze Age, and Iron Age, as well as the Rainforest and the Egyptians.

On PE days, children should come to school dressed in their PE kits. PE days will be confirmed in September.

Our new classroom

We can't wait to welcome you all in September and begin our exciting Year 3 journey together! ✨
Year 3 is such a special year, filled with new learning, wonderful friendships, exciting opportunities, and lots of fun adventures – and we are so excited to share it all with you.

Here's a little bit about us...

Mrs Cordon is a busy mum to two young children and has a lovely dog called Otis. She loves spending weekends outdoors, going on family walks, and exploring new places. 🌳 🐕

Mrs Thompson has two grown-up children and enjoys spending quality time with her family. She also loves travelling and discovering exciting new places on holiday. ✈️ 🌍

We are both really looking forward to getting to know each and every one of you and making this year happy, memorable, and full of amazing experiences. We know we're going to have a fantastic year together! ✨

"Education is one thing that no one can take away from you."

Key Information

Your child has been given a login for Numbots (Reception–Y1) and Times Tables Rock Stars (TTRS) (Y2–Y6), which help children learn key number facts and times tables that are essential for confidence and progress in maths—please encourage your child to practise regularly at home using their login at <https://play.numbots.com> and <https://ttrockstars.com>.

READING AT HOME EXPECTATIONS

Regular reading at home plays a vital role in children's learning and development across EYFS, KS1 and KS2. We encourage children to read at least 5 times a week, as this helps to build confidence, improve language and comprehension skills, and foster a love of books. Reading little and often supports progress in all areas of the curriculum, not just English. To celebrate this, we offer reading rewards to recognise effort and commitment, helping to motivate children and make reading a positive, enjoyable routine at home.

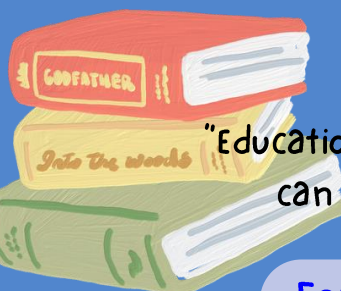

Our School Vision:

"I have come that they may have life and have it to the full."
(John 10:10)
