1 Introduction

- 1.1 Three Spires Trust's exclusion policy aims to set out the process that will be followed and the additional considerations around suspensions and exclusions that the trust will apply. Good behaviour and self-discipline lead to effective learning and help prepare children and young people for life beyond the school gate.
- 1.2 Where an academy's approaches towards behaviour management have been exhausted, then suspensions and permanent exclusions will sometimes be necessary as a last resort. This is to ensure that other pupils and teaching staff are protected from disruption and can learn in safe, calm, and supportive environments.
- 1.3 The trust will always have regard to the statutory guidance on suspensions and exclusions (July 2026) when making decisions on suspensions and exclusions and will follow the law as set out in the relevant School Discipline (Pupil Exclusions and Reviews) (England) Regulations 2012 (as amended).
- 1.4 This policy should be read in conjunction with the academy's behaviour policy and the trust's SEND policy.

2 Application of Policy

This policy applies to all members of the trust community. Each school within the trust will apply suspensions and exclusions in accordance with this policy and ensure that its contents are relayed to all staff, parents and pupils.

3 Types of Exclusion

Suspensions and permanent exclusions are different:

- 3.1 Suspensions are where a pupil is prevented from attending the school for a fixed period. At the end of the period, they are expected to return to school following a reintegration meeting. A pupil may receive a maximum of 45 days of suspension in an academic year before being permanently excluded.
- 3.2 Permanent exclusions are where, subject to a decision of the governing board to reinstate the pupil to the school, the pupil is prevented from attending the school again. A decision to permanently exclude will only be taken in response to a serious breach or persistent breaches of the school's behaviour policy, and where allowing the pupil to remain in school would seriously harm the education or welfare of the pupil or others, such as staff or pupils, in the school.

4 Roles and Responsibilities

All members of the trust community are expected to follow this policy. Roles, responsibilities, and expectations of each section of the trust community are set out in detail below.

4.1 The principal or head of school

All decisions to suspend or permanently exclude a pupil will be taken by the principal or head of school after considering all the circumstances. Prior to any decision to permanently exclude a pupil, the principal or head of school must meet with the Head of Safeguarding and the trust's Strategic Lead for Inclusion. Every decision made will be proportionate to the seriousness of the behaviour with reference to the academy's behaviour policy.

4.2 The trust board

The trust board is responsible for forming committees to review exclusions and suspensions when it is required to do so, it is requested by parents or it is, in its view, prudent to review an individual decision. In each case, the decision of the relevant committee formed by the governing board will be to decide whether to uphold the exclusion or suspension or, instead, to reinstate the pupil to the academy. For the purposes of this policy, these meetings are referred to as 'governor review meetings'.

4.3 Parents

Parents will be informed without delay of any suspension or exclusion, and there is an ability to make representations in regard to any suspension or exclusion decision. Details will be provided on the rights parents have with every letter that is sent from the principal or head of school.

4.4 Pupils

All pupils of the academies in the trust are expected to follow the expectations regarding their behaviour to ensure that all pupils can learn and participate in school life effectively. Where those expectations are breached, the behaviour policy will apply.

5 CCTV, Witness evidence and pupil views

- 5.1 The trust uses closed circuit television (CCTV) within its premises. This is to provide a safe and secure environment for pupils, staff, and visitors. If behavioural incidents are recorded on CCTV, the footage may be viewed as part of the investigation and the content considered before imposing a sanction. If CCTV is relied upon for a decision on a suspension or exclusion, then it will be shown in some format (redacted as necessary)

at any governor or trustee review meeting. Please see the trusts CCTV policy and privacy notices for more information.

- 5.2 Where witness evidence is relied upon, whether that be from a pupil or a staff member, the statement(s) will be provided at any governor review meeting. All statements will be signed and dated, unless the head of school or principal has good reason to protect the anonymity of the relevant witness; reasons may include threats of reprisals.
- 5.3 Before taking a decision to suspend or exclude, the head of school or principal will take the pupil's views into account, considering these in light of their age and understanding, and inform the pupil about how their views have been factored into any decision made. Where relevant, the pupil will be given support to express their view, including through advocates such as parents or, if the pupil has one, a social worker. The head of school or principal will also take account of any contributing factors identified after an incident of misbehaviour has occurred.

6 Reintegration strategy meetings following suspension or off-site direction

- 6.1 Where a pupil is suspended or is directed to be educated off site, upon return to the academy, both the pupil and parents will be invited to a reintegration strategy meeting. The purpose of the meeting is to:

- offer the pupil a fresh start.
- help them understand the impact of their behaviour on themselves and others.
- teach them to how meet the high expectations of behaviour in line with the academy's culture.
- foster a renewed sense of belonging within the academy community; and
- build engagement with learning,

so that further suspensions are not needed. Academy staff will work with the pupil to understand what led to the behaviour, and to establish if any changes can be made or further support implemented from a pastoral or practical perspective that might reduce the chance of repeat behaviours. Previous behaviour is not seen as an obstacle to future success.

- 6.2 Three Spires Trust settings use a variety of measures to support a pupil's successful reintegration, including, though not limited to:

- Daily contact with a designated pastoral professional in the academy.
- Use of a report card with personalised targets leading to personalised rewards.
- Ensuring the pupil receives academic support upon return to catch up on any lost progress.
- Planned pastoral interventions.

- Mentoring by a trusted adult or a local mentoring charity.
 - Regular reviews with the pupil and parents to praise progress being made and raise and address any concerns at an early stage.
 - Informing the pupil, parents, and staff of potential external support.
- 6.3 Whilst reintegration meetings are highly encouraged by the trust, pupils will not be prevented from being admitted to the academy or being put in mainstream classes because a meeting has not taken place.

7 Cancelling a suspension or exclusion

- 7.1 A suspension or exclusion can be cancelled by the head of school or principal as long as the suspension or exclusion has not been considered by the governors or trustees. In relation to an exclusion, it cannot be cancelled if the total time the pupil was excluded or suspended that academic year would be over 45 days at the point of the decision to cancel the exclusion.
- 7.2 Where a suspension or exclusion is cancelled, the relevant parties will be informed by the head of school or principal in accordance with the statutory guidance on suspensions and exclusions.

8 Suspensions before a permanent exclusion

- 8.1 In exceptional circumstances, pupils may receive a suspension prior to a permanent exclusion. For each decision, the head of school or principal will send the relevant letter setting out the rights of parents. A suspension cannot be converted into a permanent exclusion and so any subsequent permanent exclusion would be a fresh decision due to commence immediately after the suspension had ended. Exceptional circumstances may include where for example, further evidence has come to light, a further investigation has revealed that the behaviour is more serious than first thought or where the incident was serious and time is required to fully investigate the circumstances and consider alternatives.

9 Directing off-site and managed moves

- 9.1 Before taking any decision to permanently exclude a pupil, the head of school or principal will consider whether a direction to attend alternative provision and/or a managed move as part of a planned intervention would be a reasonable alternative that should be considered.
- 9.2 In the case of directing a pupil off site to alternative provision, the aim of any direction is for it to be used as a short-term measure as part of the academy's behaviour management strategy to improve a pupil's behaviour, where in-school interventions and/or outreach have been unsuccessful or are deemed inappropriate. While parental consent is not needed, discussions will take place with parents to feed in their views about the options. The requirements in relation to any off-site direction will be followed.

- 9.3 For a managed move to take place, there needs to be agreement between the school, the parents, and the new school that a managed move should occur. Before a managed move is agreed to, the pupil will often attend the new school as part of a direction off site, but any managed move will need to comply with the new school's admissions procedures. The academy will share relevant information with the new school and check that they have an integration strategy. At the end of this off-site direction period, the relevant parties (including the parents) will review how it has gone before a decision is taken about whether it becomes a permanent managed move. A managed move will only be agreed to where it is in the pupil's best interests and where the new school is not already operating a waiting list.

10 Independent review panels (IRPs)

- 10.1 The trust arranges its own IRPs. Requests for an IRP where a permanent exclusion has been upheld should be made to the governance manager within 15 school days. Their contact details are outlined in the governor review meeting outcome letter.
- 10.2 Further details on the role and powers of IRPs can be found in part ten of the statutory guidance on exclusions and suspensions.

11 Reconsideration by the Governing Board

- 11.1 Where an IRP either recommends reconsideration or quashes the initial decision of the governing board, the decision will be considered within 10 school days; this may involve a rehearing with oral evidence given by the academy and parents or may be a reconsideration, with only the governing board members and the clerk present.

12 Remote meetings

- 12.1 Any trustee or governor review meeting and/or an IRP meeting may be conducted remotely where the parents request it be conducted remotely and the meeting can be fairly held remotely, with all participants having access and able to make representations. A meeting may also take place remotely where there is an extraordinary event or unforeseen circumstance that means it is not reasonably practicable to hold the meeting in person; such events can include but are not limited to floods, fire, and an outbreak of an infectious disease.
- 12.2 In addition, where a child's social worker or the virtual school headteacher are due to attend a meeting, they must always be afforded the opportunity to join an in-person meeting remotely, as long as it can be fairly accessed, the technology is available, and everyone would be able to make representations.

13 Complaints

- 13.1 If parents have any concerns or complaints over the application or implementation of this policy, or feel that they are being pressured into a managed move, they should raise their concerns in accordance with the trust's complaints policy. If the concern relates to

an exclusion or suspension decision, or matters relating to it, the statutory procedure set out in the statutory guidance on exclusions and suspensions will be followed.

14 Equality Impact

- 14.1 The trust does all it can to ensure that its policies do not discriminate against pupils or others, either directly or indirectly, in line with any Equality Act 2010 protected characteristics; these include race, religion, disability, sexual orientation and sex.

15 Monitoring arrangements

- 15.1 Local academy committees and the trust board review data on suspensions and exclusions to ensure that the use of suspensions and exclusions is appropriate. The following are monitored by governors and trustees to ensure the processes and support for pupils are appropriate:

- The interventions put in place for pupils at risk of suspension and permanent exclusion.
- The processes in place for determining and reviewing directions off-site and such placements being reviewed at sufficient intervals to assure that the education is achieving its objectives, and that pupils are benefiting from it.
- The full-time educational provision for pupils of compulsory school age from the sixth consecutive school day of a suspension; in particular, checking the provision is suitable and quality assured to ensure that:
 - Any previous placements have been evaluated, including support for any applicable SEND.
 - There is a process in place to monitor the pupil's attendance and behaviour at the provision.
 - The correct attendance code is being used.
 - The pupil's child protection file and any other information relevant to the pupil's safeguarding and welfare has been securely transferred to their new setting as early as possible.
- Whether there is any variation within the year on suspensions and permanent exclusions and the characteristics of pupils.
- The cost implications of directing children to be educated off site in alternative provision and whether there are any patterns to the reasons or timing of moves.
- Whether the school register and absence codes have been recorded correctly.
- How the behaviour policy is applied and, specifically, its consistency.
- The circumstances in which pupils receive repeat suspensions.

- Whether personal education plans for looked after children have been reviewed on a termly basis.
