

Hanley St Luke's

NEWS

'Life in all its fullness'

Dear Parents and Carers,

I would like to take this opportunity to thank you for your warm welcome and words of encouragement since my arrival in January 2024. Publicly, people are quick to criticise Stoke-on-Trent and its communities. The people of Stoke-On-Trent are friendly and always unite when others are in need. The community of Hanley St Luke's is a rich, diverse community where both local and global children work, play and grow together. From our children I take great comfort in seeing a world where there is peace and unity. As a Stoke-On-Trent born and bred myself, I am proud to serve the community of Hanley St Luke's.

In the last 6 months I have watched our community grow with confidence and pride. We now offer a full time 60 place nursery with strong links with the Alice Charity for pre-school provision and support. We have converted to an Academy joining Three Spires Trust and are now part of a wider Church Of England community serving the Midlands. More and more children have leadership opportunities across the school from site staff, Magic Breakfast leads and STEM Ambassadors to name a few. We aim to nurture the gifts and talents of our children in readiness for their contributions as adults in the future.

I continue to be inspired by our children. They think big. They dream big! They have thoughts and opinions on how the world should be and of course how the school should run! (Which of course I encourage.)

We have today said a very fond farewell to Mrs Lee who has served our community for many years. We will all miss her at Hanley St Luke's & wish her a very happy retirement. We also say a temporary goodbye to Miss Brown who will be having a baby very soon! Good luck Miss Brown!

A huge congratulations to Miss Salt who is getting married during the school holidays we hope your day is as special as you are!

Wishing you a healthy, happy and hopefully sunny summer.

God Bless,

Mrs Cooper

Proud Headteacher
