Home Learning Digital Activities

The following websites are recommended by school for use during the school closures. The first three are the main sites that we would encourage the children to use on a daily basis and are sites that have unique usernames and passwords. The children are used to accessing the sites already.

Bug Club

<https://www.activelearnprimary.co.uk/login?c=0>

On-line reading resource where children access books at their reading level. Books can be re-read and they also involve comprehension activities. Teachers will also be able to monitor use and respond to pupil answers in some instances.

Times Tables Rock Stars

<https://trockstars.com/>

Times tables against the clock! Pupils can log in to compete against their own time and race with others across the globe to improve their recall skills.

Espresso

<https://www.discoveryeducation.co.uk/what-we-offer/discovery-education-espresso>

A resource which staff will use throughout the closure to direct the children to activities, videos and more. The website covers all aspects of the primary curriculum and children will be able to access education materials relevant to their year group.

The remaining websites do not require log-ins. They are freely available and cover a range of areas of learning.

<https://classroomsecrets.co.uk/free-home-learning-packs/>

<https://www.bbc.co.uk/bitesize>

<https://worldbook.kitaboo.com/reader/worldbook/index.html?usertoken=Mjk5MzQ6MTpJUjA5MjAxNjoyOmNsaWVudDE2OTc6MTY5NzoyMjE2Mjg4OjE6MTU4NDM4MDEzMzA2Mj1cw==>

<https://www.goodhousekeeping.com/life/parenting/g31677468/education-companies-offering-subscriptions/>

The Good Housekeeping link directs you to various websites that have child-friendly activities which have been made freely available to parents during school closures (some will require registering)

As with all on-line activity please ensure that you are aware of your child's access and permissions and ensure that they remain safe whilst accessing materials on-line. Monitor their usage and make sure that, where possible, they get plenty of fresh air too!

It is also of note that many other education service providers are making their websites and learning platforms freely available to parents during the school closures. The list of these is growing daily so teachers will try to direct you as part of our home-learning provision.
