22nd June 2020

Dear Y6 Parents and Guardians

I just want to let you know that we are working hard to try and ensure we can give your children the best Y6 send-off we can in the circumstances. So far we are planning a number of events/items but we will not be able to finalise the details of everything until much nearer the time as much depends on the government guidance between now and the last week of term. Here's what we have so far:

1. A leavers' year book photo (you've had information via Dojo about this already).
2. A photomontage slideshow and song to be shared via Dojo/YouTube link (parental permissions needed).
3. A Picnic-Party- in- a- Bag event for each Y6 class outside on separate play grounds on the afternoon of Tuesday 14th July. Children not currently in school will be asked to arrive at a dedicated time and entrance to join their class for an hour for a picnic party bag outside. We'd hope to organise a socially distanced group photo if possible too.
4. An open air presentation of certificates, medals and gifts for small groups of Y6 children at a time on the afternoon of Thursday 16th July. Parents of each group would be given a timeslot to view their child's and their group's presentation from an appropriate distance.

We know this is not the same as in previous years and we are just as disappointed as you that we cannot hold our usual Year 6 Leavers' events. However, we will do all we can to make each event as special as we can and will review the format in line with any changes to the guidance for schools.

Please look out for Dojo messages or emails (with text alert) with further details for requests for permission etc.

Yours sincerely

L Williamson
