

## PE Sports Premium Report on Spend and Impact for Academic Year 2020 2021

Amount Received during academic year 20/21	£19,530
Amount actually spent during 20/21	£10,703
Carry forward to academic year 21/22 (No carry forward from 19/20 academic year as committed contracts honoured)	£ 8,827

Specific Use of Funding	Rationale	Cost	Impact	Sustainability of Improvement
High quality sports club providers at lunch time and after school:	To promote love of sport and increase amount of time pupils are active. Experience has shown that engagement in sporting activity outside of school low and uptake poor any paid clubs have very low uptake.	£4095	From a very low base significant impact shown via participation in at least one club Year 1 96% Year 2 91% Year 3 56% Year 4 55% Year 5 52% Year 6 59% ( further breakdown available on website) Clubs available: laser tag, tennis, dance, dodge ball, multi skills. football	By introducing the children to a wide range of activities year on year they children have multiple opportunities to try new sports and activities which they may then choose to take up outside of school but a love of sporting activity is promoted for life.
Anomaly outdoor computer pod streaming PE activities and healthy life style messages.	To capture pupil interest whilst on the playground to encourage further activity and disseminate healthy and active lifestyle messages.	£3918	Initial interest and engagement high but did wane plus periods of lockdown meant the facility could not be used as intended as did the	Decided to move the facility indoors to school foyer from March 2021 and therefore not pay for out of Sports Premium

			separating out of classes on the playground.	beyond this point as it is now meeting other aims
CPD for teachers via co taught lesson with expert coaches ( Chance to Shine Cricket)	Continue to offer high quality CPD for staff to support delivery of excellent PE lessons across full range of curriculum and also promote the sport to the children by utilising a local link with cricket club	£690	Teachers in year groups selected were able to go on and deliver independently high quality lessons using the skills taught	Will build on this in next round to ensure skills learned are refreshed, retained and further skills developed through ongoing CPD programme using this model and further teachers included.
CPD for PE leads	Ability to maximise opportunities for pupils available across the City, receive tailored support to meet the needs of our staff and pupils	£1000	Staff supported to maximise opportunities and seek accreditations which directly benefits pupil opportunities and quality curriculum delivery	Staff expertise remains high. Offer to pupils remains high quality
Sports package via City sports lead	To enable wide range of festivals and competitions to be organised and delivered for pupils and training for Playground leaders	£1000	Range of competitions organised	Without the contributions from City schools the organisation of these interschool festivals and support to schools would not be possible. Pupils experience inter school competitions which heightens motivation to continue to take part in their chosen sport or branch out into others they see during the competitions/ festivals.
Catch up swimming sessions	To ensure those pupils not at required standard receive additional lessons on top of core swimming provision	Not spent	Not able to deliver this year or most of core swimming provision so identified as priority for 21/22	
<b>Swimming Data Reported for end of academic year 20/21</b>	<p><b>29%</b> of pupils in Y6 were assessed as meeting the required swimming criteria. This however an increase in 10% from the previous year.</p> <p>Only Y6 were able to go swimming during 2020/21 for 10 lessons during the summer term 2021 once the pool had reopened and working around their availability and our own isolation challenges.</p>
