

Indoor Athletics Competition

Some of our year 5 and 6 children took part in an indoor athletics competition at Fenton Manor Leisure Centre. They participated in events such as speed bounce, relays, long jump and obstacle races.

Competition was fierce and the children all put excellent effort into their races and events. A big well done for working so hard everyone!

There were 16 teams in the event from all over Stoke on Trent and Hanley St Luke's managed to achieve 12th place. Once again, it was great to participate in another sporting event!
