

Cross Country Race News

Members of our Key Stage Two cross country team, recently took part in their first race with other Hanley schools at Birches Head High school. There were over 50 children in the race altogether. Our children showed real effort and enthusiasm under difficult conditions.

Special mention to Chelsey who was 20th and Osman 18th. Well done to Gabriel, Ghaith, Akzel, Adlin and Omer you have also done Hanley St Luke's proud!
